

**NOTICE OF COMMUNITY DEVELOPMENT BLOCK GRANT  
SUBSTANTIAL AMENDMENT TO PY 2008 ACTION PLAN  
FOR THE USE OF AMERICAN RECOVERY AND REINVESTMENT ACT (ARRA) FUNDS**

The City of Sugar Land Community Development Block Grant program is eligible to receive \$91,552 from the U.S. Department of Housing and Urban Development (HUD) as part of the American Recovery and Reinvestment Act (ARRA). These funds must be used for projects that are eligible under current HUD regulations and give preference to one or more of the following objectives:

- Preserve or create jobs (permanent, seasonal or part-time);
- Assist those most impacted by the recession;
- Provide investment needed to increase economic efficiency;
- Provide investment in transportation, environmental protection, or other infrastructure projects that will provide long-term economic benefits;
- Minimize or avoid reduction in essential services; or
- Foster energy independence

The City of Sugar Land proposes to spend \$85,052 to make the homes of low- to moderate-income homeowners more energy efficient while also providing minor housing repairs to the homes. This allocation is an extension of the current Fort Bend CORPS program, and all current requirements for program inclusion apply to these funds. The remaining \$6,500 will be spent for administrative costs of managing the program and adhering to reporting requirements.
